Café bar Pilotů Menu

ENGLISH

We ask customers to:

1) keep your dogs and children with you, do not let them bark and run around the bar

2) let us know if you plan to move the chairs or furniture

3) not play the piano, if you don't have musical hearing, or any musical education

Thank you so much

Tapas by daily offer...	

COCKTAIL MENU

02. Kino Pilotů

A very lightweight version of the Martini cocktail. Gin, dessert wine Naily Pratt with elderflower syrup-made in house, fresh grapes and lime. Fresh and elegant. **168,-**

03. Bad Flash beer pub

Cocktail with beer? Brilliant or impossible? We add spicy wine, ginger rum, lemon juice and a drop of sugar to belgian beer Refreshing, slightly spicy and crazy. **168,-**

04. Jam & Co restaurant

Our one representative in the exotic Asian style. Two kinds of rum, blended with almond orange syrup-made in house, lime with kiwi-fresh and an undercut of chilly fusion. Thats all we could fit in the glass :) **172,-**

05. Plevel restaurant

Fresh carrot, fresh apple, fresh beet. Gin, fresh sherry, fresh lime and sugar. Fresh everything. Vitamin bomb on gin. **172,-**

06. Café v Lese

Café in the forest has always been more rum than coffee. That's what we built. A bunch of rum from Bermuda, a drop of espresso and a couple of things we found in the forest. Like hazelnuts and honey. **168,-**

07. Vietnamská večerka

Mixed from everything which can be bought in the night shop, without which we would not survive. Cream-cheese, egg, lemon, gin, lemonade, orange tinker and a biscuit for decoration. Do not worry, you'll still be good for dinner. **179,-**

08. Café Sladkovský

Gin herbs and other herbs of true absinth Bairnsfather, crushed with lemon-fresh and with a ginger syrup-made in house. **164,-**

09. Bar u Nováka

Built on Irish whiskey Jameson Crested Ten, a liqueur made from orange peel and a drop of sugar. Sharp, but warm and friendly. **164,-**

10. XaoXaX

Just like the XaoXaX bookstore, this cocktail makes us happy. Playful, orange, fluffy, sweet, magical and slightly sour. **164,-**

11. Incider bar

We love cider. Not Kingswood, not Carling, but a real cider! Dry with a slight hint of apple-brilliant so we put together the premix cider Kliment and the great rum of Doorlys XO. With fresh apples, fresh ginger and a drop of honey, it's just a joy. **169,-**

12. O Fous

Our most popular and friendliest hairdresser. But do not be fooled. This cocktail is sharp as a razor or Japanese scissors. Bourbon infused pepper, Merlot Gala wine, 15-year-old Oloroso sherry and a drop of sugar. Served with dried South African meat "Biltong". So be careful not to cut yourself. **195,-**

PS: We have not forgotten about the classic and the non-classical cocktails because we love them. Old-fashioned, Negroni, Manhattan, Whisky Sours, etc. We are happy to mix for you, so do not be shy to ask us for that special cocktail you like.
