PILOTS COCKTAIL MENU

02. KINO PILOTŮ
A very lightweight version of the Martini cocktail, Gin, dessert wine
Noily Pratt with elderflower syrup-made in house, fresh grapes and lime.
Fresh and elegant. 185,-

03. BAD FLASH BEER PUB
Cocktail with beer? Brilliant or impossible? We add spicy wine, ginger rum, lemon juice and a drop of sugar to belgian beer.
Refreshing, slightly spicy and crazy. 185,-

04. JAM & CO RESTAURANT
Our one representative in the exotic Asian style. Two kinds of rum, blended with almond orange syrup-made in house, lime with kiwi-fresh and an undercut of chilly fusion. Thats all we could fit in the glass :) 185,-

05. PLEVEL RESTAURANT
Fresh carrot, fresh apple, fresh beet. Gin, fresh sherry, fresh lime and sugar.
Fresh everything. Vitamin bomb on gin.185,-

06. CAFÉ V LESE
Café in the forest has always been more rum than coffee. That's what we built.
A bunch of rum from Bermuda, a drop of espresso and a couple of things we found in the forrest. Like hazelnuts and honey. 185,-

07. VIETNAMSKÁ VEČERKA
Mixed from everything which can be bought in the night shop, without which we would not survive. Cream-cheese, egg, lemon, gin, lemonade, orange tinkler and a biscuit for decoration. Do not worry, you'll still be good for dinner. 185,-

08. CAFÉ SLADKOVSKÝ
Gin herbs and other herbs of true absinth Bairnsfather, crushed with lemon-fresh and with a ginger syrup-made in house. 185,-

09. BAR U NOVÁKA	
Built on Irish whiskey Writers Tears, a liqueur made from orange peel and a drop of sugar. Sharp, but warm and friendly. 195,-	
10. XAOXAX	
Just like the XaoXaX bookstore, this cocktail makes us happy. Playful, orange, fluffy, sweet, magical and slightly sour. 185,-	
11. INCIDER BAR	
We love cider. Not Kingswood, not Carling, but a real cider! Dry with a slight hint of apple-brilliant so we put together the premix cider Kliment and the great rum of Ocumare Ñejo. With fresh apples, fresh ginger and a drop of honey, it's just a joy. 185,-	
12. O FOUS	
Our most popular and friendliest hairdresser. But do not be fooled. This cocktail is sharp as a razor or Japanese scissors. Bourbon infused pepper, red wine, 15-year-old Oloroso sherry and a drop of sugar. Served with dried South African meat “Biltong”. So be careful not to cut yourself. 195,-
